

REMARKS

This Amendment After Allowance is responsive to the Examiner's Amendment mailed with the Notice of Allowance on November 18, 2009, and to the telephonic interview of January 5, 2010.

Claims 1 and 12 are amended. After entry of the foregoing amendments, claims 1, 9, 11-12, 14 and 25-26, and 28-38 remain in this application, of which claims 1, 9, 12, and 25 are independent.

Interview Summary

On January 5, 2010, a telephonic interview between the Examiner and Oliver Strimpel, Applicants' representative, was held to point out typographical errors introduced into claim 1 and 12 by the Examiner's Amendment, as well as the failure to enter an amendment to claim 1 made in the Reply dated December 8, 2008. It was agreed that the Examiner would correct these errors in response to an amendment after allowance under Rule §1.312.

CONCLUSION

Applicants believe the application continues to be in condition for allowance and requests that the Examiner issue a Supplemental Notice of Allowance.

No fee is believed due, but if there is a fee occasioned by this amendment, including an extension fee, please charge any such fee to **Deposit Account No. 50-0876**.
